

WILLIAMS Weekly Update 5/12/25

After a great weekend of racing at Warrnambool and Terang, in somewhat cold and wet conditions, although not as bad as first forecasts suggested, this week we head to Waverley, with lots of entries from all over Australia, many class runners, and plenty of intrigue as to who will win the sashes on offer. It promises to be a fantastic Sunday of VAL action.

Congratulations Didier!

The VAL congratulates (our own) Dider Le Miere on being winning the Young Entrepreneur of the Year at the recent Business Excellence Award held by Frankston Business Chamber. Congratulations Didier!

Lost Property - Blocks

This Sunday will be the last time that left-behind blocks will be transported in the equipment van. So if you have left your blocks at a meeting this season, please see Scott and claim them this week. Any blocks left from now on will need to be claimed via emailing the office – val@val.org.au

Social Media

All VAL members are reminded of the VAL's social media Policy, which can be found on the VAL website. We require that all comments made are done so respectfully, on VAL posts as well as those of other VAL members. Behaviour that is experienced as harassment, or intimidation, or is persistent after being flagged as unwanted, will see members subject to disciplinary action.

Reminder - Portarlington

A reminder that entries for the Portarlington Gift close a little earlier than usual. So get your entries in by 8pm this Sunday, Dec 7th, or you'll miss out this exciting new meeting.

Reminder - Rye Gift – Past Winners

As Rye host the 50th running of the Rye Gift this year, the club would like to acknowledge any past winners in attendance. If you have won a Rye 120m Men's or Women's Gift, and would like to attend and be part of this special occasion, please RSVP by email or phone to:
